

SURFING ROUTE ONE?

USE CROSSWALKS!

**WALK SMART.
ARRIVE ALIVE DE**

Delaware Department
of Transportation

LAW ENFORCEMENT IS FINING VIOLATORS UP TO \$75.

Did you know that out of all the deaths that occurred on Delaware roadways last year, 1 in 4 was a pedestrian death? And for every pedestrian killed, 10 more were injured. In fact, from 2011 to 2013, there were 20 pedestrian-involved crashes along Route 1 from Lewes to Fenwick Island. Here's what you can do to avoid becoming a statistic:

- Don't walk under the influence of drugs or alcohol.
- Cross only at crosswalks or intersections with signals or traffic signs.
- Don't step onto a crosswalk if it creates a hazard to motorists, even if you have the right of way.
- Use sidewalks. If there isn't one, walk facing traffic and as far off the edge of the road as possible.
- Carry a flashlight or other reflective items when walking at night.
- Do not hitchhike.
